folex®

AQUALINE X-500

The ohp transparency with aqueous coating for photocopiers

PART OF OUR CONTRIBUTION TO TOMORROW'S ENVIRONMENT

Folex puts the utmost effort into environmentally friendly manufacturing. Up to now manu-factures have used approximately 500 grammes of synthetic solvents to produce 100 sheets DIN A4 size copier transparencies. Folex scientists have now developed a coating process which is based on water only, therefore AQUALINE X-500 is the first really environmentally manufactured copier transparency.

Environmental protection without reduction of quality!
All the well known Folex quality aspects remain or are even improved:

- Excellent multiple feeding
- Outstanding toner adhesion
- Best image reproduction
- Superior flatness on projector
- Top heat stability
- Coated both sides
- Manufactured under quality system ISO 9001:2008

## DISPOSAL WITHOUT TOXIC EMISSIONS

AQUALINE X-500 copier transparencies are produced from heat stabilised polyester (PET) and can be disposed of without problems.

UNIVERSAL AND EASY TO HANDLE

AQUALINE X-500 copier transparencies can be used on almost all plain paper copiers. This is a considerable advantage which can save time and money.

OFFICE + HOME

Special materials expand the creative options on digital copiers and printers. In this sector, Folex offers an extensive range of products for both Ink Jet and toner technology. Among other things, they include clear, white, matt and self-adhesive films, fine art/photo papers, artist canvas or transfer papers for T-shirt printing.

HANDLING

- Once packaging is opened, store at a room temperature of 15 – 25 °C and at a humidity of 30 – 60 %
- Shelf life minimum 1 year after delivery (under recommended storage conditions)
- Store in a cool and dry place
- Avoid moisture and fingerprints
- Please follow the handling instructions supplied with this product as well as the machine manufacturers manual.

SUPPLY FORMATS

- X-500

Format:	A4
Packing quantity:	100 Sheets
Weight:	0.100 mm
Order code:	35000.100.44000

- X-520

Format:	A4
Packing quantity:	100 Sheets
Weight:	0.125 mm
Order code:	35200.125.44000
